Background

Considering the curricular reforms as instrumental for desired learning outcomes, all the academic departments of Maharaja Ganga Singh University, Bikaner made a rigorous attempt to revise the curriculum of undergraduate and postgraduate programmes in alignment with National Education Policy-2020 and UGC Quality Mandate for Higher Education Institutions-2021. The process of revising the curriculum could be prompted with the adoption of “Comprehensive Roadmap for Implementation of NEP-2020”. The Roadmap identified the key features of the Policy and elucidated the Action Plan with well-defined responsibilities and indicative timeline for major academic reforms.

The process of revamping the curriculum started with the series of webinars and discussions conducted by the University to orient the teachers about the key features of the Policy, enabling them to revise the curriculum in sync with the Policy. Proper orientation of the faculty about the vision and provisions of NEP-2020 made it easier for them to appreciate and incorporate the vital aspects of the Policy in the revised curriculum focused on ‘creating holistic, thoughtful, creative and well-rounded individuals equipped with the key 21st century skills’ for the ‘development of an enlightened, socially conscious, knowledgeable, and skilled nation’.

With NEP-2020 in background, the revised curricula articulate the spirit of the policy by emphasising upon— integrated approach to learning; innovative pedagogies and assessment strategies; multidisciplinary and cross-disciplinary education; creative and critical thinking; ethical and Constitutional values through value-based courses; 21st century capabilities across the range of disciplines through life skills, entrepreneurial and professional skills; community and constructive public engagement; social, moral and environmental awareness; Organic Living and Global Citizenship Education (GCED); holistic, inquiry-based, discovery-based, discussion-based, and analysis-based learning; exposure to Indian knowledge system, cultural traditions and classical literature through relevant courses offering ‘Knowledge of India’; fine blend of modern pedagogies with indigenous and traditional ways of learning; flexibility in course choices; student-centric participatory learning; imaginative and flexible curricular structures to enable creative combination of disciplines for study; offering multiple entry and exit points initially in undergraduate

programmes; alignment of Vocational courses with the International Standard Classification of Occupations maintained by the International Labour Organization; breaking the silos of disciplines; integration of extra-curricular and curricular aspects; exploring internships with local industry, businesses, artists and crafts persons; closer collaborations between industry and higher education institutions for technical, vocational and science programmes; and formative assessment tools to be aligned with the learning outcomes, capabilities, and dispositions as specified for each course. In case of UG programmes in Engineering and Vocational Studies, it was decided that the departments shall incorporate pertinent NEP recommendations while complying with AICTE, NBA, NSQF, International Standard Classification of Occupations, Sector Skill Council and other relevant agencies/sources. The University has also developed consensus on adoption of Blended Learning with 10% component of online teaching and 90% face to face classes for each programme.

The revised curricula of various programmes could be devised with concerted efforts of the faculty, Heads of the Departments and Deans of Faculty. The draft prepared by each department was discussed in series of discussion sessions conducted at Department, Faculty and the University level. The leadership of the University has been a driving force behind the entire exercise of developing the uniform template and structure for the revised curriculum. The Vice Chancellor of the University conducted series of meetings with Heads and Deans to deliberate upon the vital parameters of the revised curriculum to formulate a uniform template featuring Background, Programme Outcomes, Programme Specific Outcomes, Postgraduate Attributes, Structure of Masters Course, Learning Outcome Index, Semester-wise Courses and Credit Distribution, Course-level Learning Outcomes, Teaching-Learning Process, Blended Learning, Assessment and Evaluation, Keywords and References. The experts of various Boards of Studies contributed to a large extent in giving the final shape to the revised curriculum of each programme. Stimulated Sessions were conducted under the dynamic leadership of the IQAC, Maharaja Ganga Singh University to give a final shape to the curricula. It is due to their endeavors that the curricula could acquire its present shape.

To ensure the implementation of curricular reforms envisioned in NEP-2020, the University has decided to implement various provisions in a phased manner, therefore, the curriculum may be reviewed annually so as to gradually include all relevant provisions of NEP-2020.

Programme Outcomes (PO)

Vision:-

To build responsive, responsible, sensitive, creative and thoughtful citizens with a comprehensive understanding of regional, national and international perspectives.

Mission: -

To strive towards the educational, cultural, economic, environmental and social advancement of the region and the Nation at large by providing multidisciplinary liberal education Involving arts, sciences, social sciences, education, law and commerce and management and Quality programmes which inculcate and enhance student's creative and Innovative insights, equipping them with both professional and vocational skills, leading to bachelors', masters', professional, vocational and Doctorate programmes.

On completing Masters in the Faculty of Social Sciences, the students shall be able to realize the following outcomes:

PO1: Develop conceptual clarity of major theories and concepts of Political Science and related sub-fields.

PO2: Comprehend how power operates at different levels: personal/social/domestic and international and their inter-connectedness.

PO3: Analyse public policy formulations, implementation, problems and available public policy choices.

PO4: Develop critical thinking, articulate arguments on key issues of public policy and politics.

PO5: Demonstrate competency in basic social science research techniques and methods including qualitative and quantitative methods of research design and techniques

Programme Specific Outcomes (PSO)

The two year M.A. in Political Science programme is specifically designed to cater to the following needs of the students:

PSO1: Prepare the students to understand the working of the Indian constitution and its operation at the central and state level

PSO2: Make students understand and analyze the operation of power politics at state, national, regional and global levels

PSO3: Give the students career options in higher studies in fields related to public policy, international politics and law, gender studies, development studies, Environmental and sustainable development, law and survey research.

PSO4: The programme prepares the students the undertake research projects/surveys.

PSO5: Formulate socially relevant research proposals and presentations.

PSO6: Provides opportunities to undergo various competitive exams of administrative services, law, and public policy.

Post Graduate Attributes

The Post graduate attributes of our students shall be aligned with those of our University in terms of touching “the life of every student through inculcating virtues of empathy, ethics, efficiency, respect for diversity, prudence and creativity with compassion”. We wish to achieve this through rigorous teachings and research efforts, which remains the basic tenet of our teaching-learning philosophy. The following are the Post graduate attributes of the subject:

- Broaden the outlook and attitude, develop the current skills and abilities, learn new one to excel in studies and career, grow into responsible global citizens.
- Contour the academic career of the students, make them employable, enhance research acumen and encourage the participation in co-curricular and extracurricular activities.

- Instill skills and abilities to develop a positive approach and be self-contained to shape one's life and also that of colleagues and peers.
- Demonstrate behavioral attributes for the enhancement of soft skills, socialistic approach and leadership qualities for successful career and nurture responsible human being.

Structure of M.A. Political Science Programme

1. The duration of this study programme will be of four semesters (two years). There will be total twenty courses (five each in semester I, II, III and IV).
2. The students are required to take up all five papers (Courses) in Semester I and Semester II, each.
3. In Semester III and IV, the students shall be required to take up 2 core compulsory papers, 1 core elective and 1 elective open course.
4. If a student opts for taking up case study in fourth semester, in such case he/she will not be required to appear for internal examination in that paper.

Course Title : Elementary Concepts of Political Science

Course Code : POL 6.5AECT101

AEC

Unit - I

Political Science: Meaning, Nomenclature and scope, Traditional and Modern Perspectives in Political Science, Relation of Political Science with Social Sciences (Economics, History and Geography)

Unit -II

State: Theories of Origin (Social Contractual and Evolutionary theories) Organic theory of state, Marxian theory of state, the Concept of Sovereignty: Monistic and Pluralistic theories.

Unit - III

Basic Concepts: Power, Authority and Legitimacy, Rights, Liberty, Equality and Justice.

Unit - IV

Democracy and Dictatorship, Parliamentary and Presidential System, Concept of Minority Representation: Proportional Representation.

Unit - V

Organs of Government and their functions with reference to recent trends; Good Governance, Civil Society.

सेमेस्टर –1

राजनीति विज्ञान की प्रारंभिक अवधारणाएं

इकाई – 1

राजनीति विज्ञान: अर्थ, नामकरण और राजनीति विज्ञान में पारंपरिक और आधुनिक दृष्टिकोण, सामाजिक विज्ञान के साथ राजनीति विज्ञान का संबंध (अर्थशास्त्र, इतिहास और भूगोल)

इकाई – 2

राज्य उत्पत्ति के सिद्धांत (सामाजिक संविदात्मक और विकासवादी सिद्धांत) राज्य का जैविक (सावयव) सिद्धांत, राज्य का मार्क्सवादी सिद्धांत, संप्रभुता की अवधारणा: एकात्मक और बहुलवादी सिद्धांत।

इकाई –3

मूल अवधारणाएँ: शक्ति, सत्ता और वैधता, अधिकार, स्वतंत्रता, समानता और न्याय।

इकाई – 4

लोकतंत्र और तानाशाही, संसदीय और अध्यक्षतात्मक प्रणाली, अल्पसंख्यक प्रतिनिधित्व की अवधारणा: आनुपातिक प्रतिनिधित्व

इकाई – 5

सरकार के अंग और उनके कार्य : समकालीन प्रवृत्तियों के संदर्भ में ; सुशासन, नागरिक समाज।

Suggestive books-
